

Partners in Crime Prevention Workshop Series

The Partners in Crime Prevention Workshop series is geared towards helping both community association volunteers and area residents learn valuable information about crime prevention and safety topics relevant to their community.

Cybercrime

Date: *Wednesday, March 5, 2014 7 p.m. to 9 p.m.*

Location: *Glamorgan Community Association
4207 - 41 Avenue SW*

Presenter: *Constable Carter Duchesney*

Cybercrime is defined as crimes that are committed with a computer and the internet. The Calgary Police Service uses the term "cybercrime" to refer to internet with reference to social media scams, malware, hacking, identity theft, spam mail, auction fraud, phishing and assorted activity of this nature. Join us as we learn how to stay safe from cybercrime. Key topics of this workshop include social media safety and cyber bullying.
