Dog Bag Dispensers

We need your help! Please pick up after your pet. Now, if you happen to have left your house and forgot your doggie poop bags, we got your back. Feel free to pull a couple bags from the dispenser and do your doggie parent's duty.

Also, each of the eight dispensers has a black number on the side of it. If you notice that one is running low on bags, or there is something wrong with it, please let us know by emailing info@crestmontcommunity.org and note the dispenser number on the side. We will do our best to address the issue promptly.

If you find that the dispenser is at the end of a roll, and you can't seem to get a new bag free, the lid opens and the plexiglass slides up to give you more room to navigate the rolls inside. Just be careful all the rolls don't come tumbling out when you lift the plexiglass up.

We would like to take a moment to thank our wonderful sponsors! They have both graciously sponsored the dispensers for the year! Please look at the new labels next time you grab a baggie!
